#### **Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Rogersville Housing Authority has completed this Agency Plan in consultation with RHA residents and the local community. The Plan was discussed with the Resident Advisory Board on May 6, 2004 and May 20, 2004. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on June 29, 2004. The Annual Agency Plan is summarized as follows:

#### 1. Housing Needs

The RHA's current waiting lists are excessive and the demand for public housing (146) is evident. The greatest demand is for small bedroom units (0, 1 and 2 bedroom units).

#### 2. Financial Resources

The RHA expects to expend approximately \$1,531,200 in the year 2004 for operations, capital improvements and administrative costs.

#### 3. Eligibility, Selection and Admission Policies

The RHA has revised its standard operating policies to comply with the requirements of the QHWRA through regulations published in the Federal Register on March 29, 2000. These policies will continue to be updated as HUD issues further guidance.

As required under this section of the plan and by regulation published in PIH Notice 2001-4, the RHA has reviewed its developments relative to income. The RHA has determined that they do not have a problem with concentration of high or low-income families. Further, the RHA has revised their admission policies to assure that a concentration does not occur in the future.

#### 4. Rent Determination-Discretionary Policy

The RHA's adopted discretionary rent policies include:

- ✓ Ceiling Rents and Flat Rents
- ✓ \$25.00 minimum rent for Public Housing

#### 5. <u>Capital Improvements</u>

The RHA's projected funding under the Capital Fund Program is \$336,481.

The focus for the 2004 program year is to perform additional parking, sidewalk improvements, site improvements and replace waterlines and sewer lines in Development TN043-004.

#### 6. Demolition and/or Disposition

The RHA has no current plans for any demolition or disposition.

#### 7. <u>Homeownership</u>

The RHA has no current plans to develop a Homeownership Program.

#### 8. <u>Civil Rights Certification</u>

The RHA has included the required certification regarding Fair Housing and Civil Rights in this Plan.

#### **B.** Criteria for Substantial Deviations and Significant Amendments

#### (1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

The RHA and HUD will consider the following actions to be substantial deviations from the 5-Year Plan:

- changes to the Rogersville Housing Authority's Mission Statement
- b. Significant Amendment or Modification to the Annual Plan

The RHA and HUD will consider the following actions to be significant amendments or modifications to the Annual Plan:

- changes to rent or admission policies or organization of waiting list;
- additions of non-emergency work items (items not included in the current Annual Statement or Five Year Plan) or change in use of replacement reserve funds under the Capital Fund; and
- any change with the regard to demolition or disposition, designation, homeownership programs or conversion activities.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; HUD will not consider such changes significant amendments.
